

M.O.L. ROMGUM

pipe seals and profiles

M.O.L. ROMGUM is a leading manufacturer of rubber seals and rubber products, mainly focusing on rubber seals for sewage and water pipes.

ZINKOM SEAL

Introduction

The ZINKOM system concrete pipe seals are seals integrated into the concrete socket intended for concrete and reinforced concrete pipes.

Requirements

ZINKOM seals are manufactured in accordance with the requirements of EN 681-1 and EN 1916.

Material Options

The seals are made of a rubber compound based on SBR or EPDM rubber with a hardness of 55° IRHD.

- *SBR (styrene-butadiene rubber)* is highly resistant to abrasion, aging, and tearing. It is durable and maintains good flexibility over a wide temperature range (-30°C to 70°C).
- *EPDM (ethylene-propylene-diene rubber)* is characterized by exceptional durability and resistance to weather conditions such as UV radiation, ozone, and extreme temperatures (approx. -40°C to 100°C), making it ideal for outdoor use.

Advantages of ZINKOM SEAL

Tight connection

Ensures a reliable and tight connection.

Quick installation

Easy and quick installation.

High resistance

High resistance to compression and deformation, allowing ZINKOM seals to retain their properties for a long time, even under heavy loads.

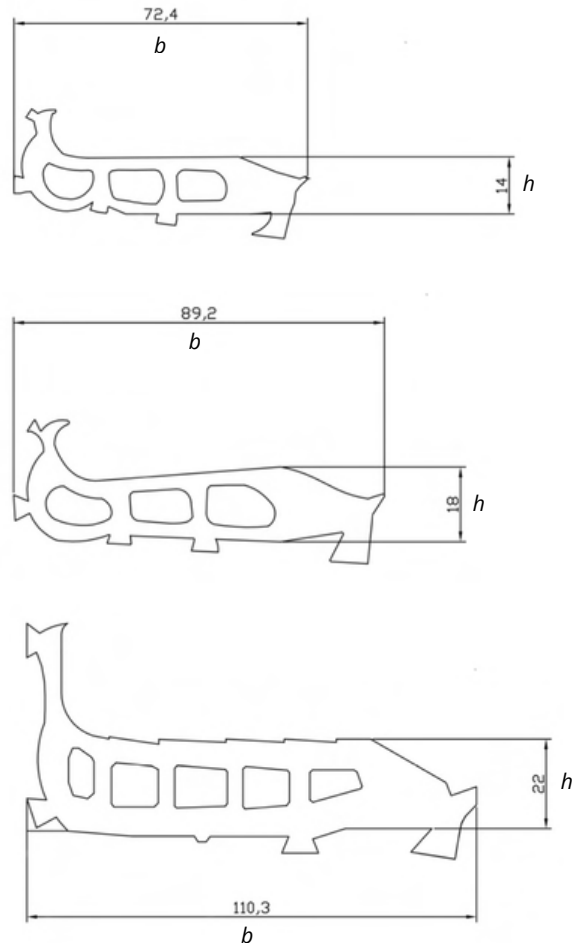

TECHNICAL DETAILS

Example of sizes:

Variant	Dimensions		
	D	h	b
ZINKOM 14	400 - 600	14	72,4
ZINKOM 18	700 - 1200	18	89,2
ZINKOM 22	1300 - 1500	22	110,3

Production method: ZINKOM seals are manufactured using the extrusion method, which allows the creation of complex shapes.

Note for pipe installation: Before joining the pipes, grease the spigot and seal thoroughly with a suitable lubricant. Centre and insert the spigot into the socket and pull the pipes together.

Why choose us?

At M.O.L. ROMGUM We offer **customization** of products based on customer specifications. We use only the best materials, which translates into the durability and strength of our products. We have been operating in the market for **more than 30 years**, providing our customers with proven solutions.

Since 2026, M.O.L. ROMGUM is a part of Sigma Polymer Group.

Contact us *for details*

Are you interested in concrete pipe seals, ZINKOM system or other products? Contact us for a quote or for more information about our range. Our specialists will be happy to answer your questions and advise you on the best solution.
